

David Lubin PTG Meeting

Meeting Minutes - 6:30 pm on April 17, 2018

Principal's Report: Mr. Dixon

Student Support Center Update: We are in the process of offering a candidate the position of Social Worker.

LAX: We do not currently have the data to support the effectiveness of the program. Although we feel the program is beneficial, we do need to collect data on its effectiveness. How LAX aides are funded is another issue that will have to be addressed. Aides are employed through the district and have been moving up on the pay schedule. The PTG caps their funding at \$40,000 and the school has been supplementing the remainder of the salary. Funding for aides is limited and the current structure does not support advancement on the pay schedule. Based upon the financial realities, we may need to look at restructuring this model as we move forward. Mr. Dixon will be working with staff on ways to improve the LAX program.

Testing: Testing is coming up. A letter will be sent home on how students can prepare to do their best on the exams.

President's Report: Sarah Phillips

Volunteer Opportunities: We have a number of opportunities popping up on campus. The following positions are open to new volunteers. You can take on the job individually or with a group of parents.

- *Auction:* Each spring we do an online auction. Items are procured from the neighborhood community and the David Lubin community. Items are posted online and you can bid on the items of your choice. Money goes back to PTG and the enrichment of the school.
- *Webmaster:* Our current webmaster's children are matriculating out of David Lubin next year. We are looking for someone who can take her place. The webmaster updates the PTG calendar and the Garden Tour calendar.
- *DLASA:* We have a group of parents who are planning and organizing the program for next year. We are looking for one to four parents who can stay after school during the DLASA hour and make sure students are checked into the classrooms. If we do not have someone on campus during the DLASA hour, we will not be able to have DLASA.
- *Spirit Wear:* Cotton Shop is our current vendor that prints our spirit wear. We need a parent to coordinate online orders a few times a year so families can purchase spirit wear.

You can sign-up online. Pledges are due April 27. To be eligible for a grand prize, please raise at least \$20 and have pledges turned in by April 27.

East Sac Garden Tour: This years tour will be May 12 - 13, 2018. This is our largest fundraiser of the year. You can buy tickets online now at eastsacgardentour.com. We are looking for volunteers to be docents in the gardens and to work the Sweet Stop on Sunday. We also need donations of baked items.

Yearbook: Christina Stevenson is heading up the yearbook this year. We are looking for candid photos from field trips or other school events, please send them to Christina by May 1. You can email them to: stevensonlushbaugh@gmail.com. Yearbooks will be \$18. You can preorder online or at the front desk in the office. We do not order extras so be sure to preorder.

School Cents: We are participating in the Arden Fair mall program. If you shop at Arden Fair, you can log your receipts online or at the Guest Services desk at the mall. We have earned enough points to qualify for the prizes. However, there is still a push to log as many purchases as we can now through April 30. The award ceremony is May 10 at Arden Fair.
