

David Lubin PTG Meeting Minutes

January 15, 2019

6:30 pm

Principal's Report (Mr. Dixon):

Mr. Dixon spoke about our school test data. Language arts and math test data have been flat over the last few years. The staff has been discussing how we can support student growth. John Hattie's research shows that the student's relationship with the teacher is an important factor in student success. As a staff, we have been looking critically at each individual student's data and discussing ways we can help students grow academically and progress towards meeting and exceeding the standards.

President's Report (Sarah Phillips):

Volunteer Opportunities

- Garden Tour: We are currently looking for volunteers for the Garden Tour on Mother's Day weekend.
- Spirit Wear: We are looking for someone to take on selling spirit wear. This a fairly easy task as most of it is done online. Sales happen two times a year.
- DLASA: We are looking for a few parents to help coordinate the David Lubin After School Academy (DLASA). Without coordinators, we will not be able to have the program this spring.
