David Lubin PTG Meeting Minutes
April 9, 2019
6:30 pm

Principal's Report (Mr. Dixon):

We have been using the CASSP scores from the last few years to assess our impact on student learning. We look at this data to help us be more aware of where students are and where we think they can go in terms of achievement. Another goal is to use this data to ask questions, form hypotheses, and then test our hypotheses. Our goal is to create an environment where students achieve at higher levels.   Our next steps to achieve this goal are to have academic conferences. Students will be given a task and then teachers will analyze data together. This will inform our instruction for future lessons.

President's Report (Sarah Caples):

STEAM Night
- STEAM Night was a success. Thank you to all of our volunteers for making it a successful night for our students.

Election
- You can vote tonight at the meeting if you have not already voted.

Fundraiser and Campus Updates

Spring Break: April 15-19

DLMT
- The link is live 4/10 for families with students in Annie, Jr. to buy tickets. Ticket sales will open to the general public 4/12.
- Students took home a flier today on how to purchase tickets.
- The play will have four shows from April 25 - 27.

1st Wednesday
- May 1st will be our first Wednesday at Chicago Fire.
- Bring your flier or tell the cashier you are from David Lubin.

East Sac Garden Tour
- May 11 & 12
- We will need volunteers to help on the weekend of the event. Opportunities will include working as a garden docent, assisting in the refreshment garden and the boutique, and donating goods.

Yearbook
- 6th grade recognitions due April 12.

Book Fair
- This will be coming at the end of May during our Open House week.

Teacher's Work Stoppage

- This Thursday is the teacher work stoppage. School will be in session and students will be in a safe environment. Depending on the number of subs provided, some classes may need to be combined.

Our next meeting will be May 21 at 6:30 pm.
