- Lisa question “What is deficient between 4 days and 2 days for counselor fees”
- Leticia Garcia thanks Dixon and mentions traction on Title 1, clarification schools will get the funds even though they are below the threshold, conditional upon the plan submitted. How do we get the forms filled out so that we can show we are truly at 50%. What can PTG do to increase the forms? How can we plan to assure all of the forms are filled?
- Dixon: District is in charge and the District has flexibility and asks to lower the 50% arbitrary criteria rate.
