PROGRAM

LET'S EAT!

David Lubin Elementary is a wonderful community of students and families, teachers and staff, who happen to live and work in the same neighborhood as some of the best restaurants in Sacramento.

Each month, we partner with a local restaurant who donates a portion of the proceeds back to our school.

Our Dine & Donate Fundraisers:

- Raise money for enrichment programs such as Art, Music and STEM
- Build a sense of community
- Support local restaurants/small business

WHO WE ARE:

David Lubin Elementary is a designated STEAM school with focus on Science, Technology, Engineering, Art & Math. Our 500 students come from unique and diverse backgrounds. 60% are BIPOC and 48% qualify for Free & Reduced Lunch.

WHO WE'VE WORKED WITH:

Restaurant	Amt Raised ('21-'22)
Jimboys Tacos	\$375.00
Petra Greek	\$500.00
Panda Express	\$804.71
Chipotle	\$1,087.15
+ More!	

"The partnership brought in many new local customers to our establishment. We were able to give back to our community by donating a portion of sales to David Lubin, and spread the word to new customers about our delicious Greek food all in one evening! We love the community we serve. We can't wait to do it again!"

Michael Raptakis, Petra Greek
