President's report:

Received quite a few applications for the instructional aide positions and will be in the process of interviewing/hiring. Currently, teachers are working to assess and identify high-priority students in K-2nd grade.

Treasure's report:

TK welcome made \$244. 1st Wed in Sept made \$136. So far Jog-a-thon has raised \$15,000 from sponsors and pledges.

\$10,000 grant for theater program. The musical theater program has already paid for itself financially, with proceeds going towards future seed money. ° Heather signed an MOU and is moving forward with events, while Jonathan is bringing in revenue. °

General:

Fall Festival volunteers are needed, with only a few big jobs remaining, and a new schedule will help mediate crowds

DAVID LUBIN ELEMENTARY

PARENT TEACHER GROUP

Discussed Staff Appreciation Week. Suggestion of creating an online document for parents to sign up for various tasks and events, such as providing snacks for teachers or helping with school events.

Supporting families in need during the holiday season.

Charity donations and volunteering ideas include a "kindness campaign" for the holidays, involving students in decision-making and volunteering at a soup kitchen or food bank. ◦ Unknown Speaker mentions pennies for patients, a previous fundraising campaign involving students in a competition to collect money for a good cause. The group discussed various charities and organizations they've worked with, including women's Wellspring in Oak Park and St. John's.

Discussed the need for more project leaders (school yearbook, DLASA coordinator). Dixon will include that in his all-call message this Sunday.

DLFC Soccer Club- Caroline discussed starting a soccer club + pickup games on Sundays at a nearby park. Mr. Taharah aims to start selling T-shirts in October to raise money for the program.
